Fittingly for labor and industrial sociology, our offices are located on the former factory site of Allgemeine Elektrizitäts-Gesellschaft (AEG), a defunct German appliance manufacturer. The site, now known as “Auf AEG”, is being redeveloped for events, exhibitions and by several academic tenants. The site is centrally located in Nuremberg, easy to reach by public transport and offers ample parking.

Public Transport (get off Eberhardshof, exit towards Raabstraße):

from Nürnberg Central Station: U1 → to Fürth (10 min).

from Fürth Central Station: U1 → to Langwasser Süd (6 min).

vom Flughafen Nürnberg: U2 → Röthenbach, change line at Plärrer: U1 → to Fürth (25 min).

Our offices and our Laboratory are in building 11 (House C). Take the elevator to the 4th floor, and ring at the Nuremberg Campus of Technology (NCT). Workdays between 9am and 7pm, you can open the door yourself, using the white button left of the entry.
